

Honoring Firefighters Who Made the Ultimate Sacrifice on September 11, 2001

New Locations Across the U.S. ★ Proceeds Benefiting the National Fallen Firefighters Foundation

This Firefighter Stair Climb event will serve not only as a memorial, but also promote fitness and be treated as a high-rise fire incident. There will be an incident command system in place which will allow firefighters, officers, and command staff to practice high-rise firefighting operation skills. The Hillsborough Firefighters 9-11 Memorial Stair Climb is not a race, but an opportunity to honor and remember the 343 FDNY members who selflessly gave their lives so that others might live. Please join us in climbing 110 floors and honoring the 343 fallen firefighters!!
